

EMISSION CLASSIFICATION OF BUILDING MATERIALS

Baltic Wood S.A.

The classification working group set up by the Building Information Foundation RTS has approved the following product manufactured by your company:

Baltic Wood Parquet, Lacquered

as belonging to emission class M1 for building materials.

The classification is valid until 10.9.2014.

Baltic Wood S.A. has the right to equip its classified products with the classification mark and to use this classification mark when marketing its products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
